PRESCRIPTION FEE SCANDAL

HOUNDED TO DEATH BY THE NHS

Daughter's claim after pills debt mum's suicide

TRAGEDY Mum Penny took own life

EXCLUSIVE BY EMILY HALL

A MUM took her own life after the NHS sent intimidating letters demanding money for a prescription.

Penny Oliver, 54, faced stinging penalty fees dwarfing the sum she owed. Penny's daughter Charlotte said the NHS and DWP – which also sent a bill – had blood on their hands. Labour said it was "a disgrace" and called for an urgent review of the system.
